RE: H.B. No. 419 Community Mental Health Treatment Act

The Developmental Disabilities Council has reviewed H.B. No. 419 Community Mental Health Treatment Act. We understand that this Bill would create the Mental Health Treatment Act and define minimum patient rights in community facilities.

The DD Council **strongly supports H.B. No. 419.** Should you have any questions regarding our comments please contact our office at 739-3333. Thank you.
